Deeply Rooted Grounds

Jinotega, Nicaragua

They have a simple, but complex mission: to help people in need. This objective is accomplished by focusing on individual & community-based efforts including food, water, and medical relief to provide hope for today. Their education and healing projects are building hope for the future!

Deeply Rooted Grounds was founded with one thing in mind. Helping the poor. They dedicate themselves to seeking out the ones that are abused and forgotten. They work in the poorest of communities providing aid through multi-level community projects.

Community-based **Dream Centers** provide food, unlimited access to clean water, medical treatment, education and healing for the soul. **Housing initiatives** build homes, showers and bathrooms for those that once had nowhere to turn. **Feeding Programs** are designed to help children who suffer malnutrition that has affected their overall health and proper growth. The **Miracle House** is committed to improving quality of life for all children with physical disabilities and their families through specialized individual holistic care. DRG's goal is to reach out with a helping hand to anyone that presents a need in efforts to love like Jesus!

The core values of DRG are Acceptance, Community, Customized Care, Faith in Healing, and Commitment. Through these values, DRG is able to address several of the specific issues of Nicaragua, the Jinotega community, and its unique individuals by providing care and a safe Christ centered environment to grow in health and faith. This is accomplished only through Christ and with assistance from partners like you!

Deeply Rooted Grounds – Nicaragua

WHAT TO EXPECT:

SO, YOU'RE GOING ON A SHORT-TERM TRIP TO NICARAGUA AND WANT TO KNOW WHAT TO EXPECT? HERE ARE SOME DETAILS OF WHAT YOUR TRIP WILL LOOK LIKE.

REGION AND PURPOSE

Deeply Rooted Grounds is currently working in Jinotega, Nicaragua. Each year the Deeply Rooted Grounds team partners with many groups from North America to make generational change through the gift of clean water, food, education, medical aid and the gift of freedom that is found in Jesus. Team members will have many opportunities to serve in different areas. Our hope is that during the trip you will make meaningful relationships, experience a slower pace of life, and witness the faithfulness of God, returning home transformed.

WEATHER:

Teams can expect warm and mild weather with highs in the 90s and lows in the 60s. If traveling during the rainy season (May to January), be sure to pack a light rain jacket. Some will need a light sweatshirt in the mornings. Dry Season is HOT (February thru April). Drink lots of water and take time to rest in the shade to avoid heat exhaustion.

LODGING:

Teams will stay at a hotel in Jinotega. Team members will split a room with another member. Two to a bedroom. Each has a full bathroom, sheets and pillows are provided.

FOOD:

If you're expecting to lose a few pounds on your trip don't! We won't allow it; team members will have a mixture of typical Nicaraguan meals and everyday American fare. Expect to eat plenty of red beans, rice, tortillas, chicken, plantains, and eggs.

CULTURE:

It cannot be stressed enough that the time spent in Central America is primarily about relationships. When establishing a relationship with a Nicaraguan resident, it is very important to be sensitive to their culture. Central Americans as a whole are overwhelmingly kind and giving, and Nicaraguans are no different. They are proud of their heritage and though there might be a sense of shyness at first, this will pass soon after greetings are shared.

SPECIAL CULTURAL ISSUES TO NOTE:

- Latin American culture is generally very proper, so be polite and use good manners. Do not be abrasive, aggressive, or demanding. Body language communicates much more than we realize. Try to communicate what is in your heart with your face and your actions.
- Latin America is a male-dominated culture. Whether we agree with it or not, as we are coming into their country, we must respect that. Women need to dress modestly. Do not hold extended eye contact with men, and do not allow body orientation to become too close as wrong intentions may be communicated. Men can set a great example through their interactions with female team members and the local women. These interactions will be watched and can effect positive change.
- Our mission can easily be hurt by something that might not be considered offensive to North American Christians, for this reason, it is very important that there is no consumption / use of alcohol, drugs, or tobacco; no use of profanity or innuendos, or inappropriate displays of affection.

 - Tetanus
 - Malaria prevention medication (please be aware of potential side effects)
 - For more information:
<https://wwwnc.cdc.gov/travel/destinations/traveler/none/nicaragua>
- Check with your doctor for any medications/medical supplies you may need, such as:
 - EpiPen for allergies
 - Inhalers, medications, etc. for asthma
 - Diabetic supplies
 - Medicines/medical supplies not found in a common first aid kit
- The Smart Traveler Enrollment Program (STEP) is not required by Deeply Rooted Grounds, however it is something for US Citizens to consider when planning a trip out of the country.
 - STEP is a free service provided by the US Government to US Citizens traveling to a foreign country.

- Allows traveler to provide information about upcoming trips abroad so the Department of State can assist in a legal, medical, or financial emergency. Also provides information about conditions affecting overseas travel.
- To enroll in STEP, visit <https://step.state.gov>

BEFORE THE AIRPORT

- Check in for your flight 24 hours before departure by going to your airline's website; otherwise you may lose your seat.
- Verify the checked baggage size and weight restrictions and applicable fees on your airline's website.

AT THE AIRPORT

- Arrive at the airport at least 2.5 hours before your flight. If you arrive later, you could miss your flight or lose your seat on the plane.
- Check your luggage, go through security, and then proceed to the gate to meet your team. Be at the gate 1 hour before the flight departs because you will have to verify your passport at the counter.
- Contact your trip coordinator if you are flying through another city and have questions.

ON THE PLANE

- Complete the customs declaration form and keep your passport handy. Mark "tourism" as the reason for your trip to the country.
- When asked for the address where you will be staying, write: Hotel Café Jinotega, Jinotega.
- Say "no" if asked by a customs officer (or form) if you have prescription drugs. The question refers to prescription drugs for a medical ministry team, not personal medications.

ARRIVING IN MANAGUA, NICARAGUA

- Upon arrival at Augusto Sandino International Airport, you will go through customs, where you will have your passport stamped and pay a \$10 entrance fee. Set aside a \$10 bill before you leave and present only this amount.
- Put your completed declarations form and \$10 inside your passport and hand it to the customs officer.

- Next, you will be met **INSIDE** the airport by one of our field staff.
 - If Nathan is not there to welcome you due to vehicle problems or traffic, PLEASE STAY INSIDE THE AIRPORT until he arrives.
Stay together and wait inside the doors.
- Then you will be driven the few hours to the team hotel, where you will meet our other staff who will care for you the rest of the trip.
- The US dollar is used in Nicaragua, so there is no need to exchange money.

WHILE IN NICARAGUA

- Use purified water for drinking and brushing your teeth.
- Food and beverages served at the hotel or by staff are safe to eat and drink. Our field staff will take you to restaurants that safely prepare food and uses purified water. Do not eat anything (**especially fruit**) unless it is prepared for you at the hotel or chosen by our DRG field staff. Ask our field staff if in doubt, and you may politely turn down food.
- NEVER go anywhere by yourself and ALWAYS let DRG staff know where you and team members are going.
- Do not touch or handle animals (even dogs and cats). These animals do not receive rabies shots or other vaccinations and can carry disease.
- Wash your hands often and keep them away from your face.
- Carry anti-bacterial wipes while in the community and use them as needed (antibacterial gel will just move the dirt around). Remember to be sensitive and use these out of sight of the villagers.

CONTACT INFORMATION

- Nathan Pendleton and your Team Leader(s) are the emergency contact persons while you are in Nicaragua.
- Those in the States can call Nathan Pendleton if they must get a hold of you while on a mission.
 - For an in-country emergency, our field staff will contact Nathan and your Team Leader(s), who will get in touch with your family.

Nathan Pendleton: +19047706304 OR +50586916726

GIFTS & DONATIONS

- While it feels instinctive to want to give material things to those with such great need, it can be very damaging if handled incorrectly DRG works in a large portion of communities and we want to be consistent with the gifts and donations we distribute in them. Our community programs have a strong relational focus, so you may bring any of the "recommended" school supplies and toys listed below to aid in building relationships with the kids. At the beginning of the trip please give all items and donations to our field staff so they can plan accordingly for the week. Please do not bring anything on the "avoid" list.
- **RECOMMENDED:** If you would like to bring gifts, please select from the list below:
 - Toys: soccer balls, nerf footballs, frisbees, jump ropes, bubbles
 - School supplies: stickers, crayons, coloring books, paper. You may bring these to the village each day and use them to build relationships with the kids. At the end of each week, give all items to our field staff to distribute (e.g., to local school, church, etc.)
 - Spanish Bibles (Nuevo Version International preferred)
 - General hygiene supplies: soap, toothbrushes, toothpaste, small bottles of shampoo/conditioner (give to DRG staff who will distribute appropriately).
 - ❖ At times there are needs for specific hygiene materials; please contact your trip coordinator for additional information.

- **DO NOT** give your phone number to anyone

Crosswater Commitment Letter

- ✓ As a member of the Crosswater Community Church mission team from Ponte Vedra, FL. I fully understand the commitment of my travel to Deeply Rooted Grounds.
- ✓ By coming to DRG it means I am traveling with my Pastor/Team Leader and I understand they are in charge of our trip and will be making decisions about our itinerary and activities. As a part of the team, I am committed to being at team meetings and preparation times.
- ✓ I also understand that being in a different country means that a lot of the personal luxuries that I have at home may not be available.
- ✓ I also understand that in traveling with a group it is important that I keep a positive attitude and refrain from being critical or negative about others or the trip.
- ✓ This also means that I will be sharing with my group and I am willing to be part of a team even when it compromises my own individual comfort or convenience. My willingness to serve means that I understand that at times it could cause inconveniences.
- ✓ Being in a different country, I am there to serve others and never to judge others by their appearances.
- ✓ I am coming on this trip to be used by God to serve others and all the glory belongs to Him in any way He can use me. I do not want electronic devices to be a distraction from my availability or attention to detail and service.
- ✓ I am coming with a servant's heart and am ready to be used by God to minister in any way God can use me.
