

# PRESSURE POINTS LOVING YOUR NEIGHBOR DURING A PANDEMIC

Pastor Jack Millwood  
September 6, 2020

## SERMON SUMMARY

During this Covid 19 pandemic we have an opportunity to follow the royal law of Scripture that says:

“This royal law is found in the Scriptures: Love your neighbor as you love yourself! If you obey this law, you are doing right!” James 2:8

So many people think that love is a feeling or an uncontrollable emotion. Scripture teaches that love is a choice you make and an action you take.

## MESSAGE NOTES

This image shows a blank sheet of white paper with horizontal blue lines, similar to notebook paper. The lines are evenly spaced and run horizontally across the page. In the bottom right corner, there are faint, light gray circular shapes, possibly representing a binding or decorative elements.

## DISCUSSION QUESTIONS

(Do not feel like you must cover every question below. Decide which one or ones really apply to your group or stir up an interest in your group. Do not rush to “get through them all.” It is more important that you discuss openly and honestly than that you go over every question.)

1. How do you show in tangible for love to those around you?
2. How many of your neighbors can you name and what do you know about them?
3. Be honest and ask yourself if you are more of an encourager or an discourager.
4. What are some things that you personally can do for your neighbors to show them love during this pandemic.
5. Discuss ideas that each of you can do to help and show love to your neighbors.
6. Consider a project that you as a group can do for someone who needs love shown to them.
7. Would you be able to lead someone to Christ one on one? If not discuss how you can take CLASS 301, maybe as a group and learn how to do so.
